Welcome Message

Message from the Chairman:

The Emirates Thoracic Society is pleased to introduce the ETS Annual Congress 2022 that will take place at the Intercontinental Dubai Festival City, UAE, set to unfold in a hybrid format on Friday 27th & Saturday 28th of May 2022.

The ETS Annual Congress 2022 is the chance for convening Healthcare's national visionaries in an intimate setting for two days of inspiring. Innovative discussions from world-class speakers on the most relevant and daunting challenges facing the thoracic health care services are brought to you within a respiratory health rich Congress to help you explore the latest respiratory updates and information. ETS is built on a foundation of care and support, and is committed to consistently fabricate strategic responses for combating & preventing thoracic disease in the UAE and abroad.

We sincerely hope you can join us in this exciting event and look forward to welcome you warmly.
